3. Imagine a different ending together.

SCENE 1 The very flat door

Robot Pip: This door is flatter than a pancake.

Little star Dot: Then perhaps it opens sideways!

Robot Pip: Stand back. I shall knock politely: beep, beep, beep.

SCENE 2 A room for impossible things

Little star Dot: It opened! Where does it lead?

Robot Pip: To a room with one tiny chair and enormous possibilities.

Little star Dot: Let's invite a cloud to tea - and save it a seat.

1. Change a line

Choose a line above and write your own version.

2. Imagine a new ending

What happens after Pip and Dot invite the cloud to tea?
